DOUBLE TEAM

Whistle clamped between his thin lips, the referee tossed me the ball for the biggest shot of my life; the thing might as well have been a hot potato.

Our rival had fouled me for a reason. I was the lousiest free throw shooter on the team. They were clinging to a two-point lead with .7 seconds remaining on the clock. I had to make both shots to send the game into overtime. Shit, I thought, why me?

Holding the ball, my heart pounding crazily, my stomach a roiling mess, I toed the line.

I had never been so nervous in my entire life. Don't crap in your shorts, I told myself. We were playing at home, but this hardly helped matters. If anything, it made the situation worse, adding pressure that was damn near unbearable. I didn't want to disappoint our loyal fans, didn't want to choke when they were counting on me.

"Come on, Bobby," I heard Tom, my best friend on the team, say from the bench. "You can do it, man!"

A cluster of visiting fans in the bleachers heckled me mercilessly, doing everything in their power to disrupt my concentration. One of them actually waved a sign which read BOBBY THE BRICKLAYER. Serious college hoops fans, I reasoned; having done their homework, they knew all about my troubles at the charity strike.

Sweat pouring down my face, I went through my usual routine, bouncing the ball three times before bending my knees and lining up the shot. Time stood still. I'm sure the visiting fans hollered and stomped their feet, but I didn't hear a thing.

I took a deep breath, then released the ball. And watched it hit the front of the rim. Too short. The visitors went crazy. I made the second shot, a classic case of too little too late. Our opponent inbounded the ball to their best dribbler who ran out the clock.

It was official.

I had lost the fucking game.

"Shit," I muttered in despair, walking off the court with my head hung low.

Tom put his arm around me. "It's okay, Bobby. You did your best."

The rest of the guys on the squad weren't so supportive. They avoided me in the locker room like I was some kind of leper. Hell, I couldn't blame them.

I took a long shower. By the time I finished the rest of the guys, with the exception of Tom, had cleared out. Undoubtedly, they were going to get rip-roaring drunk and try to forget about the crushing loss. Tom was combing his hair when I padded into the locker room. Redolent of cologne, he was dressed to impress and ready for a night on the town.

"You got a date?" I asked him.

"Actually," he said, still combing his hair, "we have a date . . ."

"Come again?"

"You heard me, Bobby."

I opened my locker and started to get dressed. Tom filled me in; while I was in the shower he had called a local escort service and booked a provider.

"I don't know, man," I told him. "I don't exactly feel like partying, you know."

"Don't give me that shit."

"I lost the game, Tom."

"Sure you did," he said, "and that's exactly

why you need to get laid. Trust me, Bobby. This chick is just what the doctor ordered."

He whipped out his phone and showed me her profile. "Slutty Sloan" was a redhaired hottie whose pics left little to the imagination.

"Damn," I muttered. "She's fine."

"You're damn right she is," Tom said. "Now hurry up and get dressed. We don't want to be late."

We took Tom's car. Enroute to the motel he stopped at a drive-thru ATM and withdrew some cash. I didn't ask him how much this was going to cost. I did, however, thank him for his generosity.

"What are friends for?" he told me.

We parked in front of the motel. Not the nicest place, but far from the worst. Tom texted Sloan for her room number. She replied immediately.

Her room was on the ground floor. Our provider had aged since her profile pics were taken, mainly in the face. She was heavier, too. Not by a lot, but enough to notice.

"Wow," she said, "you guys are tall."

"Yeah," Tom said, "we play basketball."

"At the college," I added.

"Cool."

The hem of her short black party dress slid up her thigh as she sat on the edge of the bed closest to the bathroom. "Don't be shy, guys. Get those clothes off."

She unshouldered her dress and let it drop below her big milky tits. Then she raised the hem above her curvy hips. She wasn't wearing panties, her shaved pussy on full display as she parted her thighs.

"Who wants to go first?" she asked.

Tom looked at me. "She's all yours, Bobby."

I had already removed my shirt. Now I shed the rest of my clothes and hastened to the bed. She lay there with her legs spread, squeezing her

tits with one hand, diddling her cunt with the other.

"Oh, yeah," she said, licking her lips lewdly. "I can't wait for you to stick that big fat cock in my tight pussy . . ."

I loved dirty talk; the filthier, the better. Unfortunately, my last girlfriend hated it. She said it made her feel like a cheap whore, which was strange as she was one of the biggest sluts I had ever known.

I moved on top of Sloan and plunged my cock inside her. No sooner had I done this than Tom climbed on the bed beside us and waved his dick in her face. She turned her head to the side, taking him in her mouth while I fucked her. Sloan's wasn't the tightest cunt I had ever had, but I enjoyed it all the same. She raised her legs as I thrust repeatedly. His knees planted on the bed, his stiff tool pumping in and out of her mouth, Tom fucked her face none too gently.

Not to be outdone by my friend and teammate, I upped the pace and force of my thrusts. Meanwhile, Tom had grabbed two handfuls of Sloan's red hair; he held her head still while ramming his rigid rod into the back of her throat. I matched him jab for jab.

Our competitive natures were on full display in that cheap motel room; we pushed one another to new heights as we fucked our provider good and proper. Sloan took everything we could dish out. I had been with a few escorts in the past. Most of them had seemed uninterested; they had fucked me, sure, but the experience had been lackluster, as if they were just going through the motions. But not Sloan. She was into it. Big time. And this prompted Tom and I to give her our absolute best.

Tom pulled out of her mouth seconds before I withdrew from her pussy. Neither of us had to say a thing. Sloan knew what we wanted. She as-

sumed the doggy position, framing her ass so that we could stand beside the bed and fuck her.

"Come on, Tom," I said. "Be my guest."

He hopped off the bed and moved behind her. Sloan's big white ass looked marvelous. She was offering it for a thorough reaming, and Tom was more than ready. His glistening cock entered her with ease. Then, holding her curvy hips like handles, he proceeded to rut her in proper doggy fashion. I stood there with dick in hand, stroking myself as Tom banged her with increasing vigor.

Sloan reached back with both hands and spread her cheeks, treating us to an unrestricted view of her beautiful butthole. Regarding me over her shoulder, her face twisted with pleasure, she told me to stick it in.

I gaped in astonishment, hardly believing what she had said. My experience with double penetration was limited to porn. The prospect of gaining some firsthand experience was immensely exciting. Still, I hesitated. Having never done it before, I didn't want to make a fool of myself.

Sensing my unease, Sloan said, "What are you waiting for? It won't bite."

Tom chuckled. "You heard the lady," he said while continuing to ram her from behind. "She wants it up the keester. Are you a man or a mouse?"

I took a deep breath; just like I had done earlier at the free throw line. Don't choke, I told myself. Not again. Once was enough for one night.

My height proved ideal. Towering over her ass, I bent my knees slightly and, grasping my cock with one hand, lowered my swollen glans into place. Thoroughly lubed from screwing her, my cock slid right in with no problem. Fingers digging into her milky flesh, she spread her cheeks even wider and told us how good it felt to have

two big fat cocks inside her at the same time. Of course, this prompted Tom and I to double our efforts.

He banged her juicy box from the rear, fast and hard, while I pounded her pooper. The clapping of fornicating flesh reached its crescendo seconds before Tom withdrew and came all over her ass. I had every intention of doing the same thing, but Sloan had something else in mind.

"Finish in my mouth," she told me. "I want to taste my ass on your hard cock."

By this time she was kneeling on the carpeted floor in front of me, her slutty lips parted to receive my prick. I fed it to her, inch by inch, letting her savor the flavor of her bung-hole. She moaned around my meat, moaned and groaned and rolled her eyes like she was having some kind of seizure. Her exuberance pushed me over the edge. The train, as they say, had left the station . . .

I exploded in her mouth. My member spasmed repeatedly, shooting much jizz. Sloan swallowed every drop of my creamy load before licking my dong clean.

"Well," Tom said as he drove out of the motel parking lot, "what do you think?"

"Unreal," I told him.

"Feeling better?"

"Much better."

And it was true. The memory of my botched free throw was still there, but it wasn't nearly as painful.

"Man," I said, shaking my head in wonder, "two cocks at the same time."

"Amazing, huh?"

"Thanks again."

Tom said, "Don't thank me. Coach Winslow is the one who told me about her."

I looked at him strangely. "Bullshit."

"No fooling, man. I'm dead serious. That dirty old bastard sees 'Slutty Sloan' at least once a week!"

"The first few times I fucked a man on camera, my pussy got real sore. It was a lot of stop-ping and starting, and long sessions of deep fucking. I'm sure it looked good for the camera, but I was so sore that I had to take a couple weeks off from sex. I had to fake it – twice!"

GEMMA

DEGRADED BY MY DATE

As the night went on, our conversation became more suggestive. Gemma leaned forward more, showing off her cleavage that threatened to spill out. She made the first move, suggesting we go somewhere private.

I never expected to get lucky with dating apps. But here I was, sitting across from a stunning woman dressed in black. Her breasts filled out her dress, even straining against it. Long black hair flowed past her shoulders straight down to her plump hips.

We had been chatting online for a week before deciding to meet up for dinner. As the night went on, our conversation became more suggestive. Gemma leaned forward more, showing off her cleavage that threatened to spill out. She made the first move, suggesting we go somewhere private. I swallowed hard, feeling my pants grow tighter at the suggestion.

"I'm game if you are," I replied. We made our way to the parking lot where her car was, and she wasted no time pulling me into the backseat. Her lips were on mine in

an instant, kissing me with a passion that stole my breath away. I wrapped my arms around her, feeling up every inch of her that I could get my hands on. She pushed me down onto the backseat and straddled my lap as we continued making out. Breaking the kiss, she sat back and looked down at me.

"I want you to make me cum," she demanded, "put that tongue to good use." I nodded and changed positions to better duck my head underneath her dress. My tongue dragged along her slit through the damp fabric of her panties. "Higher," she commanded, fisting a hand in my hair and yanking me up a bit. "Lick my clit, you idiot. That's where it feels good." I flushed at the reprimand but quickly complied. Pushing her panties aside to expose her glistening pussy, I flicked my tongue out again to find her clit.

Fumbling my way around, I found it at the top and lapping at it as I tried to figure out what she liked best.

"Sufficient," she sighed. "Now suck on my tits while I jerk you off." I pulled back, my chin slick with her juices. I hurried to undo my pants and get into the right position. My head lay in her lap while she reached into her top and pulled out her ample breasts. They were even more amazing up close. Immediately, I wrapped my lips around her nipple and eagerly sucked on it. She reached down for my aching cock and began stroking it.

"Mmm, what a big boy," Gemma said, pumping my shaft slowly. "Lucky that you've got such a big cock, otherwise, I wouldn't even consider letting you fuck me." I groaned at her dirty words, my cock throbbing in her grip. I sucked greedily, my tongue swirling

around the sensitive peak as I bucked my hips up into her hand. She cooed approvingly, her fingers tightening around my shaft as she jerked me faster. "Yes, just like that," she encouraged, her voice smooth and seductive. Her thumb rubbed over the leaking slit at the head of my cock, smearing my pre-cum all down the shaft. My moans raised in pitch to a needy whimper.

Suddenly, Gemma pulled away. The loss of her touch made me groan and I reached down to touch myself but she smacked my hand away. Moving to straddle my hips, she pulled out a condom and rolled it down my shaft.

"Fuck me," she demanded, sinking down onto my cock with a low moan. "Fuck me hard and don't you dare cum until I tell you to." I gripped her hips, my fingers digging into the soft flesh as I began to piston in and out of her tight, wet heat. She clenched around me like a vice. Her tits bounced with each roll of my hips and I almost couldn't believe this goddess was allowing me to fuck her. My orgasm

was building fast, my balls drawing up tight to my body as I neared my release. I clenched my teeth trying to hold back, I didn't want the moment to end yet. She saw how close I was, because she slowed her movements down to just lazily grind her hips into mine and grinning down at me.

"Already?" she teased. "You're going to cum after only a minute inside me?" My face burned and my chest was heaving with the effort of holding back. She chuckled, amused by my predicament, before pulling off my cock completely. I whimpered at the loss of her heat, my shaft twitching and throbbing with the need for release. She looked down at it, observing the way it throbbed and leaked.

"Beg for it," she commanded. "Call yourself my little bitch and beg me to let you cum inside me." I didn't hesitate, my pride long gone in the face of my desperate need for release.

"Please," I whispered. "Please, let me cum inside you. I'm your little bitch!" Her laugh sent shivers down my spine.

"Good boy," Gemma praised. Then to my relief, she sank back down onto my shaft. "Cum for me, little bitch. Cum inside your Mistress like a good little fuck toy." With that final push, I jack-hammered my cock up into her pussy until I came a second later. I pulled her hips against mine, as if I was truly filling her up with my load and not wasting it within a condom. She kept riding me through my intense orgasm, squeezing her walls to milk me.

I was spent and my cock was still sensitive when she pulled out. Carefully, she removed the condom from my dick without spilling the liquid inside. Before tying it off, she dipped a finger inside, scooped up some of my cum, and brought it up to my lips.

"Taste yourself," she simply stated. I parted my lips and hesitantly darted my tongue out to lick her finger. It was bitter and slightly salty, but I swallowed it to see her look of approval. She praised me just how I liked.

Like I said before, I can't believe I got so lucky with a dating app.

breaking in
the club's
new chef

"Our shift was over and we were in the changing room at this swanky resort club. Then suddenly, the new chef walks in looking for the men's lockers. We both looked at him and he was all embarrassed. Trying to make him feel better, we complimented him on his food. He was beet red and we sensed his pants getting tighter. We helped him release his tension."
